

When you confirm your move with St. John's Transfer, please follow our list of Do's and Don'ts for a Trouble Free Move

*Please Read this Very Carefully*

1. This is an estimate...the price may increase or decrease, depending on time or weight. Should the size and/or amount of your shipment increase beyond what was viewed by and specified to the moving consultant, please advise well in advance. Otherwise, we are not responsible for increase incurred.
2. All cartons must be sturdy and have lids which are level and taped shut.
3. Dresser drawers may be left full of bedding, clothing or linens.
4. If we are moving glass tabletops, large artwork, mirrors or marble, mirror cartons must be used at an extra expense.
5. We reserve the right to use two, three or four men on a job.
6. If we dismantle beds, we will set them up in the new home.
7. Swings, play structures and bunk beds are time consuming to dismantle; please do this yourself where possible.
8. We do not move garbage bags.
9. We do not transport gasoline, paint, paint thinners, all cleaning products, etc.
10. All gas fired items must be drained of gas(lawnmover, etc.).
11. Please have all vehicles removed from driveway on moving day.
12. In winter months, have driveways and sidewalks cleared of snow.
13. You will be phoned the day before your move to confirm the time of our arrival.
14. Be prepared for your move the day before: small articles in cartons ready to go, large articles that need dismantling are ready.
16. Keys to filing cabinets, etc. are your responsibility...please do not give them to our movers.
17. Our aim is to move your household in a SAFE and TIMELY manner. Therefore, we kindly ask that pets, children and others remain out of harm's way when our movers arrive.

PLEASE NOTE: We reserve the right to NOT move extra large furniture that does not fit into a room. For further information, contact our moving consultant.
